

Shares of the Goldman Sachs Variable Insurance Trust — Goldman Sachs Strategic Growth Fund are offered to separate accounts of participating life insurance companies for the purpose of funding variable annuity contracts and variable life insurance policies. Shares of the Fund are not offered directly to the general public. The variable annuity contracts and variable life insurance policies are described in the separate prospectuses issued by participating insurance companies. You should refer to those prospectuses for information about surrender charges, mortality and expense risk fees and other charges that may be assessed by participating insurance companies under the variable annuity contracts or variable life insurance policies. Such fees or charges, if any, may affect the return you realize with respect to your investments. Ask your representative for more complete information. Please consider the Fund's objective, risks and charges and expenses, and read the Prospectus carefully before investing. The Prospectus contains this and other information about the Fund.

The Goldman Sachs Strategic Growth Fund invests primarily in U.S. equity investments. The Fund's equity investments are subject to **market risk**, which means that the value of the securities in which it invests may go up or down in response to the prospects of individual companies, particular sectors and/or general economic conditions. **Different investment styles** (e.g., "growth") tend to shift in and out of favor, and at times the Fund may underperform other funds that invest in similar asset classes.

Fund holdings and allocations shown are unaudited, and may not be representative of current or future investments. Fund holdings and allocations may not include the Fund's entire investment portfolio, which may change at any time. Fund holdings should not be relied on in making investment decisions and should not be construed as research or investment advice regarding particular securities. Current and future holdings are subject to risk.

A summary prospectus, if available, or a Prospectus for the Fund containing more information may be obtained from your authorized dealer or from Goldman Sachs & Co.
