

## QoL Max Accumulator+ III Updated with Enhanced Income Potential!

Corebridge Financial is excited to announce, effective September 6, 2024, we are updating QoL Max Accumulator+ III with the same attractive features, but improved income potential, especially in juvenile (<18) and older age (60+) cases.

### What's New

#### Better performance for juvenile (<18) with lower death benefit

- 10% average income increase when paid to retirement
- 3% average income increase when paid to college years

#### Significant improvements to income potential at age 60+

- Ten Pay: 40% average increase
- Single Pay/1035 Exchange: 13% average increase

#### Maintain competitiveness at age 35-55

- 1-2% average increase in income potential

QoL Max Accumulator+ III continues to offer four diversified index strategies. The Merrill Lynch Strategic Balance (MLSB) index was improved to perform even better when utilizing participating loans.

### Unleash the Power of IUL!

QoL Max Accumulator+ III is now even more competitive across all age groups to better serve your diverse clientele.

For a closer look at our improvements, check out **QoL Max Accumulator+ III Competition Flyers** in different scenarios:
